Private Lessons Are AWESOME!!!

Lessons are the **fastest** way students improve on their instrument because they have a quality teacher guiding them in their development of proper tone, rhythm, articulation, and musicality. Students enrolled in lessons usually earn first division superior ratings, make the All-Region Band, the <u>have more fun learning</u> their instrument because they sound **better**, faster.

<u>Please read this document</u> before deciding whether or not to sign up for lessons since it outlines the benefits of taking lessons that occur during your child's band class! If you have any questions about lessons, <u>please email Mr. Trahan here</u>.

Check out our <u>list of quality lessons teachers by clicking here</u>, AND <u>sign Up for Private Lessons here</u>!

Teacher & Student Shared Responsibilities

In the Belton MS Band, we form a partnership between teacher and student where both share responsibility in their musical development. Our team of teachers include middle school directors, private lesson instructors, high school directors, and

even hired clinicians, masterclass teachers, and adjudicators. We also strive to communicate and produce strong partnerships with parents since their support is vital in their student's growth.

To that end, we as the teaching team provide Introduction, Comprehension, and Demonstration to students for their instruction. However, each student has a responsibility as well to facilitate Repetition in the form of practicing daily for at least 25 minutes, 5 days per week.

This means that instruments go home everyday to practice the concepts, patterns, and music that we go over daily in class. This leads to student Mastery of their music and ultimately of their

instrument. Students have homework everyday in Band as they practice their instrument in preparation for performances and to continue their musical growth. Reach out to a director if you would like more information on how to better help and support the musical growth of your student.

Band Calendar

<u>Click here to see the Calendar page of our website</u> to find **all** of the current events, including special rehearsals, contests, and performances for the whole school year. We provide this so you can plan your family's activities. Remember, performances are a required part of our curriculum, so please contact a director ASAP for any conflicts. Beginner's Ensemble

Study Flashcards for Two Tests This Week!

All Beginners should be studying their flashcards daily in order to "Be Prepared" for <u>both</u> of their Flashcards Tests this week. One test contains the 6 cards of the lines of their staff, and the other contains the 6 cards of the spaces of their staff. All music binders should go home and be brought back to school everyday in order to practice this at home daily.

In order to move forward in class, students must pass-off each set of 6 cards in 8 seconds or less. <u>Practice with your student at home</u> so we can keep moving forward in learning the parts of the instrument, followed by opening the case!

Keep Practicing the Staff Chant from the Recording Below!
