## Teacher & Student Shared Responsibilities

In the Belton MS Band, we form a partnership between teacher and student where *both* share responsibility in their musical development. Our team of teachers include middle school directors, private lesson instructors, high school directors, and even hired clinicians, masterclass teachers, and adjudicators. We also strive to communicate and produce strong partnerships with parents since their support is vital in their student's growth.

THE TEACHER PROVIDES:

THE STUDENT PRODUCES:

To that end, we as the teaching team provide Introduction, Comprehension, and Demonstration to students for their instruction. However, each student has a responsibility as well to facilitate Repetition in the form of practicing daily for at least 25 minutes, 5 days per week.

This means that instruments go home everyday to practice the concepts, patterns, and music that we go over daily in class. This leads to student Mastery of their music and ultimately of their instrument. Students have homework everyday in Band as they practice their instrument in preparation for performances and to continue their musical growth. Reach out to a director if you would like more information on how to better help and support the musical growth of your student.

## Beginner's Ensemble

### First Band Concert - THIS THURSDAY!

Your student's first sit-in concert is coming up **this Thursday** in the BMS Cafeteria! Students should arrive by 6:15pm already dressed in their Band Uniform, which consists of their band shirt tucked into jeans with closed-toed shoes - young gentlemen should also wear a belt. Due to a volleyball game happening at the same time, please use entrance H-7 to enter the Cafeteria to avoid having to buy a ticket (see map below).

A "sit-in" concert is where students sit alongside their parents and families rather than on a stage. We want to make their first performance as stress-free as possible!

- **Woodwinds** will bring their case to the Cafeteria and assemble their instruments there
- **Brass** will assemble their instrument in the Band Hall and leave their case in their band locker
- **Percussion** students will set up and perform in the main Band Hall with their families

All students should be seated ready to go by 6:25pm, and the concert will start promptly at 6:30pm. As for all performances, here is the grading rubric the directors will use to determine your child's grade for the performance:

- Be Punctual - Students need to be in their spots ready to perform no later than 6:25pm (25%)
- Be Prepared - Students should have all of their supplies and materials, including their binder and music along with their well-maintained instrument (25%)
- Be Prepared - When they arrive at school by 6:15pm, students should already have on their band uniform, which is their band shirt tucked into jeans with closed-toed shoes (gentlemen should wear a belt - 25%)
- Be Disciplined - Students should always be on their best behavior and set the example for proper concert etiquette, which includes remaining silent while someone is playing or speaking, remaining seated throughout the performance, and applauding appropriately (25%)

As you can see, students have the potential to do very well for this major grade! If students are Punctual, Prepared, Disciplined, and Relentless, they will automatically Be Superior. These Five Guidelines of Success dictate all of our procedures and philosophy of the Belton MS Band. We are very excited for this first performance of the 2025-2026 Beginner's Ensemble! Please invite any and all family members to attend this first concert experience, as all of our performances are free. If you have any questions, please contact your child's director via ParentSquare.

## Instruments Come Home Daily!

Students should take their instruments home daily and we expect them to practice 5 days a week for at least 25 minutes. Students may also practice before school in the Band Hall starting at 7:30am every school day.

Parents, we implore you to help set up a consistent practice routine at home for your student. **Students will not improve their musical skills on their instrument without practice outside of regular class time.** The directors, we will teach your student *what* and *how* to practice, but we need your help in establishing *when* and *how much* they practice. The more they practice, the better they will get faster. Please review the How To Practice and Weekly XP Chart attachment below:
