## Teacher & Student Shared Responsibilities

In the Belton MS Band, we form a partnership between teacher and student where *both* share responsibility in their musical development. Our team of teachers include middle school directors, private lesson instructors, high school directors, and even hired clinicians, masterclass teachers, and adjudicators. We also strive to communicate and produce strong partnerships with parents since their support is vital in their student's growth.

To that end, we as the teaching team provide Introduction, Comprehension, and Demonstration to students for their instruction. However, each student has a responsibility as well to facilitate Repetition in the form of practicing daily for at least 25 minutes, 5 days per week.

This means that **instruments go home everyday** to practice the concepts, patterns, and music that we go over daily in class. This leads to student Mastery of their music and ultimately of their instrument. Students have homework everyday in Band as they practice their instrument in preparation for performances and to continue their musical growth. Reach out to a director if you would like more information on how to better help and support the musical growth of your student.

## Instruments Come Home Daily!

Students should take their instruments home daily and we expect them to practice 5 days a week for at least 25 minutes. Students may also practice before school in the Band Hall starting at 7:30am every school day.

Weekly XP Chart

	DAYS PRACTICED	-	DAYS NOT PRACTICED	=	EXPERIENCE POINTS (XP)	
PRO	7	-	0	=	+7 (XP)	👍
BEST	6	-	1	=	+5 (XP)	👍
BETTER	5	-	2	=	+3 (XP)	👍
GOOD	4	-	3	=	+1 (XP)	👍

	2	-	5	=	-3 (XP)	
	1	-	6	=	-5 (XP)	
	0	-	7	=	-7 (XP)	

Parents, we implore you to help set up a consistent practice routine at home for your student. **Students will not improve their musical skills on their instrument without practice outside of regular class time.** The directors, we will teach your student *what* and *how* to

practice, but we need your help in establishing *when* and *how much* they practice. The more they practice, the better they will get faster. Please review the How To Practice and Weekly XP Chart attachment below:
